

Single Leaf Lintel

102mm
SINGLE LEAF

Standard Load

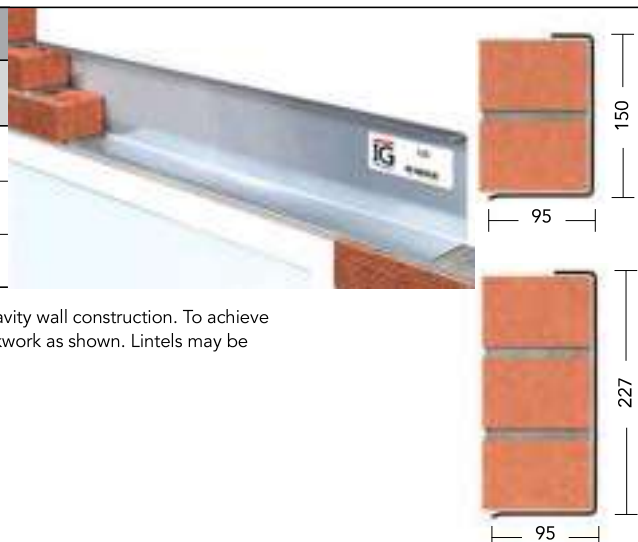

L10						
Manufactured length 150mm increments	600- 900	1050- 1200	1350- 1500	1650- 1800	1950- 2250	2400- 2700
Height 'h'	55	55	102	102	152	202
Thickness	2.0	2.5	2.5	2.9	2.9	2.9
Total UDL kN	2.5	4	5	7	7	8

Longer lengths available. Used to support the outer leaf of cavity wall construction. The L10 lintel can be supplied with no top bend. Lintels may be propped to facilitate speed of construction.

Heavy Duty Load

L11				
Manufactured length 150mm increments	600- 1800	1950- 2400	2550- 2700	2850- 3000
Height 'h'	150	227	227	227
Thickness	2.5	2.5	2.9	3.0
Total UDL kN	16	20	22	22

Longer lengths available. For use to support single leaf or outer leaf of cavity wall construction. To achieve loading figures, lintel must be built in with brickwork as shown. Lintels may be propped to facilitate speed of construction.
