

Sandfaced 65mm

THE ORIGINAL
LONDON
BRICK
FORTERRA

The Sandfaced London Brick combines a rich red hue with a pronounced texture, offering a timeless and versatile option across various architectural styles.

Its classic appearance and enduring quality make it a preferred choice for architects, builders and homeowners seeking to create structures with lasting aesthetic appeal.

The light texture adds subtle depth and character to the brickwork, creating a visually-engaging facade that captures attention. The texture enhances the rustic appeal, making it ideal for projects aiming to achieve a traditional or period specific look.
