

Windsor 65mm

THE ORIGINAL
LONDON
BRICK
FORTERRA

The Windsor London Brick is a pressed, light textured facing brick with a rich red hue. The light texture of the brick imparts a subtle depth and character to brickwork resulting in a visually-engaging facade that captures attention.

The Windsor London Brick combines a rich red hue and pronounced texture, offering a timeless and versatile option for a variety of architectural styles.

Its classic appearance make it an ideal choice for builders and architects seeking to create structures with long lasting aesthetic appeal.
